The purpose of this correspondence is to inform you that a check that OMNI BRASS, INC. submitted to the U.S. Patent & Trademark Office (USPTO) to pay for the fees noted below was lost in transit when forwarded to our bank for deposit. To reconcile this situation we request that you provide us with either a copy of the canceled check in question, front and back, or resubmit payment.

The check in question was in the amount of \$ 1,000.00 U.S. dollars and was processed against patent application # 10657226 for the patent publication and issue fee (fee codes 2501 and 1504 with a mailroom date of 20 April 2006).

I have enclosed a copy of the check in question. Please verify with your bank that the check in question was not cashed. If you wish, you may stop payment on the check. Once you have determined that the check was not cashed, please resubmit payment to USPTO. As USPTO did receive and process the check in question before it was lost, you will retain your original mailroom date, of 20 April 2006, for the transaction in question assuming repayment is received.
